

We're Red Stone

An independent creative agency based in East London, we provide communications and design services to leading UK and international organisations.

We have a proven track record in delivering a range of projects – from multi-platform campaigns to comprehensive branding programmes.

Creativity and organisation – a balanced approach

At Red Stone we have highly experienced strategists, creatives and project managers who bring creativity balanced with meticulous organisation to deliver your project and achieve your aims.

We work with organisations to develop powerful strategies that deliver awareness, uptake and positive results.
